

ALL EUROPEAN LIFE DIED IN AUSCHWITZ

Sebastian Vilar Rodriguez - 15 January 2008

I walked down the street in Barcelona and suddenly discovered a terrible truth - Europe died in Auschwitz. We killed six million Jews and replaced them with 20 million Muslims. In Auschwitz we burned a culture, thought, creativity and talent. We destroyed the chosen people, truly chosen, because they produced great and wonderful people who changed the world.

The contribution of this people is felt in all areas of life: science, art, international trade and above all, as the conscience of the world. These are the people we burned.

And under the pretence of tolerance and because we wanted to prove to ourselves that we were cured of the disease of racism, we opened our gates to 20 million Muslims, who brought us stupidity and ignorance, religious extremism and lack of tolerance, crime and poverty, due to an unwillingness to work and support their families with pride.

They have blown up our trains and turned our beautiful Spanish cities into the third world, drowning in filth and crime.

Shut up in the apartments, they receive free from the government, they plan the murder and destruction of their naive hosts.

And thus, in our misery, we have exchanged culture for fanatical hatred, creative skill for destructive skill, intelligence for backwardness and superstition.

We have exchanged the pursuit of peace of the Jews of Europe and their talent for a better future for their children, their determined clinging to life because life is holy, for those who pursue death, for people consumed by the desire for death for themselves and others, for our children and theirs.

What a terrible mistake was made by miserable Europe The Global Islamic population is approximately 1,200,000,000; that is ONE BILLION TWO HUNDRED MILLION or 20% of the world's population. They have received the following Nobel Prizes:

The Jews are NOT promoting brainwashing children in military training camps, teaching them how to blow themselves up and cause maximum deaths of Jews and other non-Muslims. The Jews don't hijack planes, nor kill athletes at the Olympics, or blow themselves up in German restaurants. There is NOT one single Jew who has destroyed a church. There is NOT a single Jew who protests by killing people.

The Jews don't traffic slaves, nor have leaders calling for Jihad and death to all the Infidels.

Perhaps the world's Muslims should consider investing more in standard education and less in blaming the Jews for all their problems.

Muslims must ask what can they do for humankind before they demand that humankind respects them.

Regardless of your feelings about the crisis between Israel and the Palestinians and Arab neighbours, even if you believe there is more culpability on Israel's part, the following two sentences really say it all:

"If the Arabs put down their weapons today, there would be no more violence. If the Jews put down their weapons today, there would be no more Israel ." Benjamin Netanyahu.

When the Supreme Commander of the Allied Forces, General Dwight Eisenhower, found the victims of the death camps he ordered all possible photographs to be taken and for the German people from surrounding villages to be ushered through the camps and even made to bury the dead. He did this because he said in words to this effect:

"Get it all on record now - get the films - get the witnesses - because somewhere down the road of history someone will get up and say that this never happened."

Recently, the UK debated whether to remove The Holocaust from its school curriculum because it 'offends' the Muslim population which claims it never occurred. It is not removed as yet. However, this is a frightening portent of the fear that is gripping the world and how easily each country is giving into it.

It is now more than 60 years after the Second World War in Europe ended. This is in memory of the, 6 million Jews, 20 million Russians, 10 million Christians and 1,900 Catholic priests who were murdered, raped, burned, starved, beaten, experimented on and humiliated while the German people looked the other way.

Now, more than ever, with Iran, among others, claiming the Holocaust to be 'a myth,' it is imperative to make sure the world never forgets.

How many years will it be before the attack on the World Trade Centre 'NEVER HAPPENED' because it offends some Muslim in the United States?
